KANGAROOSTER

Champion chook is hopping mad!

IN TODAY's world, you are what you say you are, so if this rooster reckons it's a kangaroo, that's OK by us.

We ain't judgin'. He can say he's a non-binary, Rastafarian, lesbian elephant seal for all we care. As long as he's happy.

The kanga-chook – or chookaroo, let's be fair – lives at the Erldunda Roadhouse, about 200 kilometres south of Alice Springs on the Stuart Highway, after being found abandoned nearby.

Manager Kira Boswell named him Cluck Norris and bunged him in with the roadhouse's pet 'roos.

Cluck somehow got the idea in his head he was one of them and now he hangs out with them all the time, eating, sleeping and generally LOLLYGAGGING around with his marsupial buddies.

Apparently he loves watching SKIPPY RE-RUNS on the teev, too.

Ah well. As we said, who are we to judge? We just work here. ■ Picture

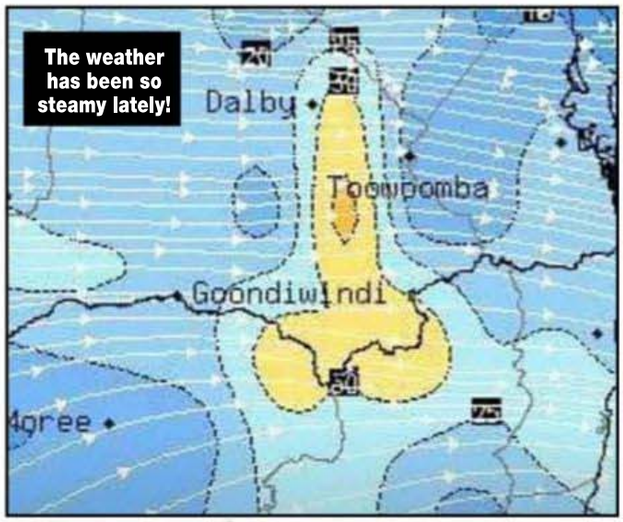
News Flash

Believe it or not, this shit happened!

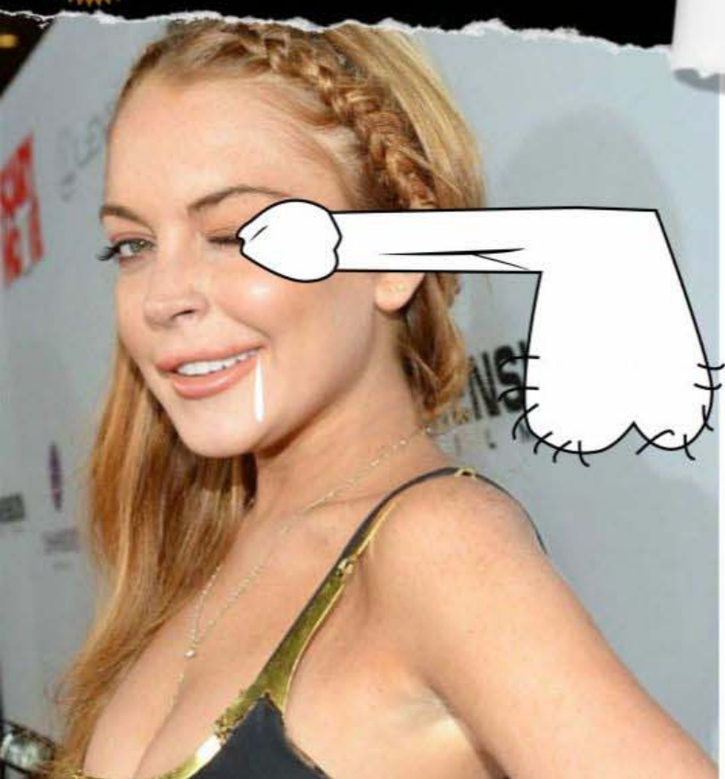
COCK-NADO!

THIS weather map really put the WIND up several towns in south-eastern Queensland recently, seemingly predicting a giant SPOOF STORM was about to dump a load of STICKY PRECIPITATION all over the area. Locals dressed in RUBBER RAINCOATS ran for cover as the JAP EYE of the storm moved north. Now, we're no meterologists, but it looks to us as though Dalby was forced to handle the KNOB of the storm, while Toowoomba stroked the shaft and Goondiwindi CRADLED THE BALLS. The bastard thing was that everyone had to sleep in the WET SPOT.



Newspix, Caters News, Singleton Argus

#289 WE DREW A COCK ON IT



YOU DIRTY DOG!

AUSTRALIA'S killingest wild dog has been taken down! Hannibal Lecter, as the monster mutt was called, had been killing sheep – often ripping out their kidneys and leaving them to die – on a property west of Scone, in NSW's Hunter Valley, for six years, all the while dodging traps and poison baits. Hannibal chomped his evil way through about 500 sheep, costing farmer Norm Black over $50,000. The devil dog was shot by local dog trapper Johnathan Randle. "I have been watching and tracking him for years so I knew his routines and that's how I got him," said Johnno.

FLIP FLAPS

NT BLOKE Peter "Pedro" Rogers is a recycling HERO after turning his busted thongs into mudflaps for his ute. When the muddies on his vintage vehicle fell apart, he delved into his collection of fucked-up old double-pluggers, bolted some on, and fucken bingo – a new fashion trend! Why Pedro kept all his old thongs, we don't really know. Maybe he was hoping there'd be a world shortage soon, and he'd make a killing selling them on on eBay. Anyway, he's happy and that's the main thing, eh. "Everyone down at the pub loves them," says Peds of his MAD MUDDIES. "People driving past always give me a good look and a bit of a wave and a thumbs up. It's recycling at its best."

MUDDY GENIUS!

NAZI PUSSY BUSTED

Apparently this is is his cat

COPS in Branau, Austria, have arrested a bloke pissed-off locals described as "Hitler's double" who was hanging around the house where the Nazi cunt was born in the little town near the German border. Harald Zenz, 25, had a little 'tache just like Adolf's, combed his hair just like Adolf and even had a bodgied-up uniform sorta like Adolf's. No report on whether he only had the ONE BALL like the loony late fuehrer, but. Zenz kept showing up at the house and being a dick so eventually the rozzers busted him, 'cos glorifying Hitler and promoting the nutty Nazis is a crime in Austria.

ALL BUFFED UP

EVERYTHING is big in Texas, so it's no shock that Texan couple Ronnie and Sherron Bridges have a 1,150 kg, 11-year-old BUFFALO named Wild Thing as a pet. They let him wander around their house at will. "I'm surprised he doesn't do more damage when he comes and goes," says Ron. "It's like a car coming through the house. But he's our pet and we love him."

OVER THE MOON

WHACKY Kiwi coppers took the HIGH road when they found a couple of hippie cows munching on a some BUSH TOMATO plants. They could've busted the red-eyed mooers, but instead took this photo and posted it to the Waikato District Police facebook page. "It's that time of year again when we are wrapping up our annual national cannabis operation," they wrote. "While many of you think it's god's greatest gift to us, it is still illegal which means we still police it." Then they ran a comp to provide a caption for the photo. The cows were let off with a caution.

KISS THE COOK

Nude chef Scarlett Morgan shares her tasty secrets

ONE of THE PICTURE's bestest mates is Aussie model Scarlett Morgan.

Not just because of her great tits, sparkly smile and SUNNY DISPOSITION, but also because she cooks IN THE NUDE.

And if there are two things we LOVE in this world, it's tucker and NUDENESS.

Scar-Mo took time out from filming the web series Nude Muse Cooking to clue us in on her clobber-free basting, baking and boiling activities.

When did you start cooking in the nude?

"It's something I've always done. I'm usually naked at home anyway, so when I need to whip myself up a snack what's the point of dirtying a piece of clothing? I can just hose myself off at the end if it gets too messy."

What about the dangers of hot oil splatters?

"A few years ago I was running late and unbelievably hungry, so I decided to throw together a quick chicken Caesar salad.

"My mistake was literally throwing the chicken in to super-hot oil, and ending up with a splash-back over my boobs. Not fun. Luckily I have a very understanding doctor who prescribed me some cream to stop any scarring. I learned a very important lesson that day."

Ever have a problem with pubes in the food?

"I make a point of keeping my pubes nicely groomed! But seriously, I don't think anyone I invite over for dinner

would be enough of a douche to deserve a pube in their food."

What's the sexiest dish to cook in the nude?

"Anything moist. I just like that word! Hahaha! But I guess a dish with loads of cream, or perhaps something with carrots or cucumbers would be super sexy. Until I start chopping them..."

Ouch! Do you also EAT in the nude?

"Of course! No point dirtying good clothes. But I put a towel on the seat so I don't stick to the leather."

What food feels best on your boobs?

"Ooh, so many things! I think my fave is cocoanut oil. Sometimes I'll just pour it over myself and rub it in. It feels so wonderful on my skin, and it tastes delicious."

How do you feel about custard baths?

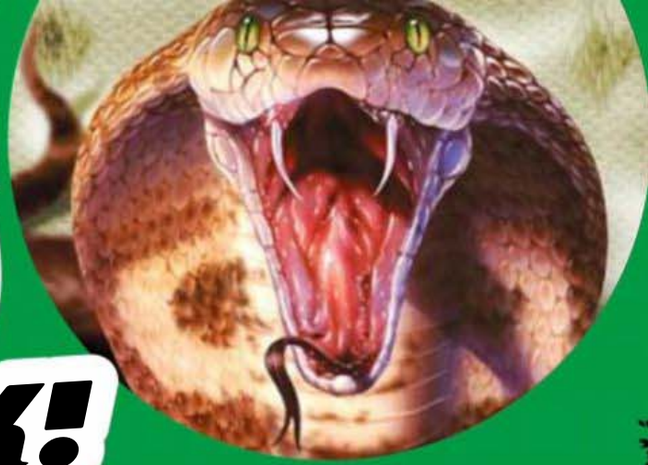
"Haha! Why not? I've bathed in many different things in my stage shows, so why not give custard a go?"

We'll bring our own spoon! Picture

SCARLETT'S TOP NUDE COOKING TIPS

- You might be nude but the dirtiest things on your body are your hands. Wash them, and wash them lots.
- Always grate extra cheese because you're likely to eat most of it before it goes into the food.
- Be careful not to touch any delicate areas after working with chilli. Wash your hands straight after. If you forget, yogurt or milk can help soothe the burn.

SNAKES GO BERSERK!



Crazed fangsters turn on each other

FEELING scared, readers? No? Well you FUCKEN SHOULD.

Cos we live in a country with more snakes than people, and lately the hissy pricks have been getting VERY TOEY INDEED.

It might be the heat that's doing it. It might the rising cost of petrol. It might be the fact that Miranda Kerr hasn't got her tits out for MONTHS.

But whatever the reason, it's obvious that the serpent population of Australia – most of which can kill ya just by BREATHIN' ON YA – is going BATSHIT CRAZY.

Look at these piccies of a red-bellied black and a brown THROWIN' DOWN with each other in the scrub.

Local man and ex-snake-catcher Sean Shaw witnessed this BOWEL-EMPTYING SCENE near Myponga, south Oz.

"After about a 20-minute tussle the red-bellied black snake eventually was able to swallow the brown snake," he said.

All well and good, but that just meant there was a BIGGER, STRONGER, MORE WELL FED red-bellied black out there.

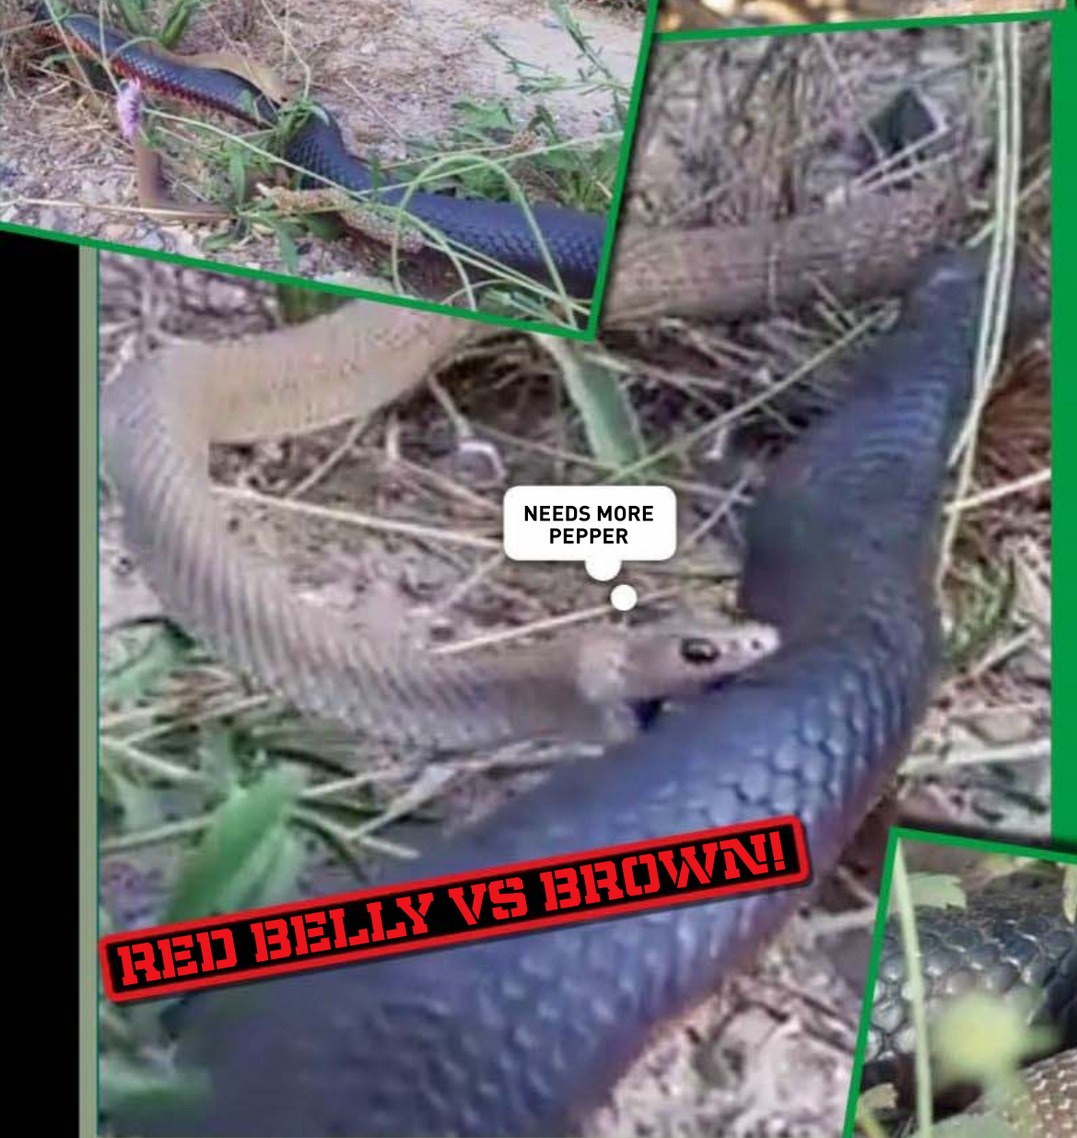
And next time it'll be looking for a MEATIER meal than a teensy brown snake.

Yeah, that's right – HUMAN FLESH.

The way we figure it, unless it gets cooler real quick, petrol prices drop dramatically and Miranda goes BUCK NAKED on the 6 o'clock news, we're all DOOMED.

So arm yourselves, hide indoors and start stockpiling beer.

The snakes are coming and they mean fucken business. ■Picture



RED BELLY VS BROWN!

ON YA BIKE!

PEDAL POWER!

SHIT! WHICH ONE'S THE BRAKE?

Mad fucker goes 167km/h on a pushie!

MARKUS 'Mad Max' Stockl is a real demon on a pushbike, there's no doubt about that.

The whacky Austrian just beat his own downhill speed record on dirt on a mountain bike, fangin' down a mountain in Chile at 167.5km/h.

He hit TOP FANG after only 11 seconds of hurtling down the scary 45 degree slope, and the cool thing was he hardly had to pedal at all!

What's more, he did it riding an off-the-rack Mondraker Summum mountain bike, just like the ones you or us could buy if we had a spare $14,000. Which is way classier than having a special bike built for the attempt, like some CHEATING FUCKWADS DO.

Still, we have to wonder how he'd go trying for the record down the ramp at the Westfield carpark on a three-speed Malvern Star with dodgy brakes and half a VB carton for a helmet.

Just sayin'. ■Picture

GET THIS INDIA

Sexy sisters strip off and sizzle – and their mum wants to have a go as well!

WHAT could possibly be better than a big-boobed, half Indian, half Irish chick getting her gear off? How 'bout that big-boobed, half Indian, half Irish chick having an IDENTICAL TWIN SISTER that likes to get naked with her on the internet for the whole world to see?

Well, you can start fucken cheering, readers, 'cos that's exactly what we've got for you right here.

Priya and Preeti are a pair of 27-year-old twins from Pomgolia who are raking in BULK CASH by stripping off and flashing their surgically-enhanced norks – and other BITS – on their website, *www.officialpreetiandpriya.com*, and an interactive cable TV channel called BabeStation.

Don't worry though, they're not kissing each other on the LIPS or doing anything GROSS with each other, 'cos that'd be taking it TOO FAR.

And we wouldn't want ya to get OFFENDED or anything.

The TITANICALLY-TITTED TWINS – both of 'em have FF-cup bolt-ons – have made so much dosh that they've been able to buy heaps of new shoes, fancy cars and even a FUCKEN HOUSE.

So it's no wonder even their MUM is champing at the bit to get involved.

"If Babestation was around when I was younger I would have done it and been shaking my arse on the phone saying 'call me'," gushed their doting mama, Mruga.

"When the twins told me they wanted to be glamour models, I thought 'why not?'. I encouraged them, I was proud of them,' she said.

"'I wish I had the opportunity when I was young to do glamour modelling. I would have SO done it. I want them to be happy and I want them to do well."

Onya Mum! And we don't reckon it's too late for you to getcha gear off with ya daughters and make it a MULTI-GENERATIONAL FAMILY BUSINESS.

IAN, VIA EMAIL

BILLY'S canary was lying dead on the bottom of his cage with his feet in the air. He asked his dad why when things die they did that. His dad told him it was so God could grab them by the feet and take them to heaven.

A few days later when his dad got home after work, Billy ran to him screaming: "Daddy, Mommy nearly died today!"

"What happened?" he asked.

"Well," said Billy, "when I got home from school, Mommy was in the bedroom on her back with her eyes closed and her legs in the air, just like my canary, and she was saying, 'God I'm coming, God I'm coming!'

"And if it hadn't been for the mailman holding her down, God would have got her!"

PETE, VIA EMAIL

A. YOU CAN'T COMPLAIN.

A NAZI goes into a bar, looks around, and sees an Orthodox Jew sitting at a table.

"Barman!" he says. "A round on me for everyone but that Jew right there."

Everyone in the bar gets a drink, and the Nazi looks over at the Jew and notices him smiling. The Nazi is not amused and goes back to the bar

"Barman! I want to order a second round for everyone but the Jew, and this time make the finest chamapagne."

JOKE OF THE WEEK WINS $100

THREE three young fellas were having a week's holiday staying with their rich, widowed grandfather.

On the first night, the oldest one went up to his grandad and asked him: "Pop, can you make a sound like a frog?"

The old man, being a bit tired and not in a particularly good mood, told the boy, "Nah, not tonight. Now leave me alone and go to bed, will ya?"

On the second night, the second oldest boy went up to the old man after dinner and asked him, "C'mon, Pop – can't ya make a sound like a frog for us?"

But the old man wasn't in any better a mood, and said: "Nah. Now go to bed."

On the third night, the youngest boy asked him: "Pop, *please* will you make a sound like a frog for us?"

The exasperated old man replied: "Bloody hell – why do you boys want me to make a sound like a frog?"

The little boy replied: "Well, Pop, Mum told us that when you croak we're all gettin' new bikes!"

M.M., GERRINGONG, NSW

The Nazi looks at the Jew, who is still smiling, and even more broadly now.

"Is that Jew an idiot or what?" the Nazi asks angrily.

The barman responds: "Oh no, sir. That's the owner of the bar."

A YOUNG bloke from the bush moves to Sydney and goes to a big department store looking for a job.

The manager asks, "Do you have any sales experience?" The kid says, "Yeah, I was a salesman back home." The boss liked the kid and gave him the job.

After the kid's first day the boss comes to see him. "How many customers bought something from you today?"he asks. The kid says, "One."

The boss says, "Just one? How much was the sale?" The kid says, "$101,237." The boss says, "What did you sell him?"

The kid says, "First I sold him a fish hook. Then I sold him a fishing rod. Then I asked him where he was going fishing and then I told him he needed a boat.

"So we went down to the boat department and I sold him a top of the line fishing boat. Then he said he didn't think his Honda Civic would pull it, so I took him down to the automotive department and sold him a Jeep Wrangler."

Incredulous, the boss said, "A bloke came in here to buy a fish hook and you sold him a boat and a car?"

The kid said, "No, he came in to buy tampons for his wife and I said, 'Mate, your weekend's shot, you should go fishing.'"

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at:

https://twitter.com/ThePictureMungo

THREE SERVES A DAY

WHAT else could you possible buy your wife when she has everything? Thank god the supermarkets give us hints.
Kind regards,

R.C., SOUTH HEDLAND, WA

MUNGO SAYS: Cheaper than chocolates, too. And she won't get as fat eating the vegies as she would munching on a box of dairy creams. But... oh... now I get it! You don't mean for the missus to eat the cucumber at all – you mean for her to STICK IT UP HER SNATCH! Yeah, in that case, fruit 'n' veg is a much more romantic present. Well, a cucumber, maybe. Or a banana. Not a pineapple, but. She'd clock ya with it, and rightly so.

WINTER AIN'T COMING

WANT to know what I hate mungo? I hate winter! I love summer when all the chicks wear next to nothing at the beach. I can hide under my hat and sunnies and perve. Winter? Bad news. Girls put on clothes! Mungo, do your magic and eliminate winter.

GAZZA, GREEN POINT, NSW

MUNGO SAYS: Mate, winter sucks the big hairy one. I fucken hate it. Not only can't I get around with me nuts hangin' out the leg of me shorts, I don't know whether I'm perving on a hottie in eight layers of clothing or just some fat chick in a cardigan. So winter is officially cancelled. 'Cos I said so. Don't like it? Get fucked.

NEW WORLD ORDER

YOU asked us what we hate, well I hate cunts who talk about politics all the time in the pub or at parties. And if I don't jump up and down saying "Yeah, you're right, mate," they have a go at me, and if I do, they just give me another earful of the same shit. They just can't get that I don't give a flying fuck. Cunt in a suit on one side, cunt in a suit on the other side, same shit, different sack. Fuck it all. Just give me a lamb chop, a beer and a nice bit of choof and leave me in peace.

B.M., MULLUMBIMBY, NSW

MUNGO SAYS: Well put, B.M. I'm all for apathy meself. It calms people down, all peaceful like. Add a chop, a beer and a pipe, and I think you're onto something. If only we weren't paying for these suity cunts to fly around the country bothering us. Ah well. Chops are about done. Gotta go. Keep up the good work.

MUNGO WANTS TO KNOW...

They named the Australian of the Year a while back, and I dunno who won it but it wasn't me. Who do you reckon ought to get the gong for top Aussie, and why. $50 to ya if I use your letter.

ATTACK OF THE «CLONES»

MATE, I've got a great look-alike for ya. How about Home Girl Shelley from issue #1425, and tennis hottie Maria Sharapova? I reckon they could be twins. I'd give either of them a big serve, yuk-yuk-yuk! But seriously, they are pretty close don't ya think?

T.C., TWEED HEADS, NSW

MUNGO SAYS: Yeah, that's a lock. I'd like to see the two of them down on Shelley's favourite nude beach rubbing sunscreen on each other. It'd be better than front row seats at the Wimbledon final. I'd buy them both an ice cream.

DADDY DEAREST

OI MUNGO, you scrotum-faced old fart, you said a while back you'd rooted everyone's sister, well my mum reckons she recognises you from some drunken night back in the day when you rooted her in the back of her Corolla in a pub carpark in Bexley. You might be my dad, so I'm hitting you up for 21 years' worth of missed birthday and Chrissie pressies. I'll take a cheque.

K.L., ROCKDALE, NSW

MUNGO SAYS: So, how ya been? Keeping well? Regards to your mum, but I'm pretty sure I made her sign the usual document relinquishing all claims for any potential future rugrats before I ploughed one into her. I had a crooked lawyer draw it up for me. It's watertight. But good to hear from ya son!

CODE RED!

Normally, a second-hand Ferrari 458, in a fetching shade of fuck-off red, would set you back about $400,000. This one, however, you could probably pick up for considerably less. The main problem with it, if you hadn't already noticed, is the orange tree carefully inserted right where the donk would be, if the clever Eyeties hadn't hidden it halfway up the back like they sometimes do. Some anonymous Spanish fang merchant with lead in his foot jumped the road somewhere near Madrigal de la Vera, about 200 clicks west of Madrid, and took it for a spin through an orange grove. He managed to dodge MOST of the fruit-laden trees. But, alas, not ALL of them. Why he took this sudden scenic detour, we're not sure. Maybe he was thirsty and fancied a fresh juice. They're a flighty bunch, your Spaniards. Nice blokes and all, but unpredictable. Anyway, this Italian dick extender is going cheap now, and it has a nice, citrusy tang about it. Think of what you'll save on air fresheners.

The Manly bloke says, "Three weeks before I died, I donated $100 to a charity for starving children in Africa."

"Fair enough," says St Peter. "Anything else?"

Talking Dirty

VIAGRA BLUES

HEY Trin, what's your opinion on pills to make blokes' dicks harder? I've tried a few and they work great. I sometimes wonder if the chick notices my bloodshot eyes. Does it take away from the experience if you know that we had to take a pill for it? Have you ever rooted a bloke who'd taken one?

MORRIS, VIA EMAIL

TRINITY SAYS: ***Dude, no woman cares if you need medical help to get wood. We'd rather a hard dick than a soft one any day, so if you need to sort yourself out then that's fine. As long as you don't act like a junkie or something when you're on them. There's no shame in aiding your performance if you need it.***

SEXPERT ADVICE

WHAT'S the best move a guy has ever pulled on you while having sex? I'm just trying to spice up my sex life with the wife. Any advice would be welcome.

DOUG, VIA EMAIL

TRINITY SAYS: ***Oh God, the best? Well, it depends on the situation and the guy – I've had so much awesome sex that it's hard to pin-point an exact move. I guess at the moment any guy that can make me squirt is a king in my eyes. It's a tough nut to crack, so if they can do it they've got skills!***

FIT AS FUCK

TRIN, I've heard you're getting really fit and look amazing at the moment. My mate who follows you on Facebook says I'd get a stiffy straight away. Can we see photos?

SIMON, VIA EMAIL

TRINITY SAYS: ***Simon, yes I'm super fit – the fittest I've ever been in my life, actually. I've been absolutely killing it. And I will be back in Australia for a fresh shoot soon so keep your eyes peeled for a new spread in the mag!***

TOY STORY

HEY Trin, I'm a young lady who's looking to buy her first sex toy, but I don't really know much about this stuff. What are your favourite toys to use? Are there any toys that you'd

"I WAS RUBBING ONE OUT TO MIDGET PORN!"

Velvet Cream Imagery, iStock

recommend for couples that we can both use at the same time?

H.C., NANGEELA, VIC

***TRINITY SAYS:** Darl, welcome to the wonderful world of sex toys! There are thousands to choose from – plenty for individuals and couples. I love the We Vibe 4 (you can get it here: http://we-vibe.com/we-vibe-4-plus). You can put it in your arse and your pussy at the same time for mind-blowing, leg-shaking orgasms!*

PRETTY WOMAN

I KNOW this chick who apparently used to be a prossie but now she's dating some guy. Can chicks who used to root heaps just turn it off and be happy with one dick? Or do they always think back to their days of having multiple schlongs?

R.M., PARK GROVE, TAS

***TRINITY SAYS:** Babe, there's a huge misconception when it comes to sex workers. They're normal people who lead normal, everyday lives. Some have families and straight day jobs. You'd be very surprised. For a lot of them it's just a job, not necessarily a lifestyle. Same goes for strippers, topless waitresses etc. So don't jump to any conclusions.*

BUSH BASHER

TRIN, my missus is demanding that I shave my bush. I've never shaved it in my whole life and not had any problems, so why should I? I've even heard having more hair down there makes sex better 'cos of some science stuff that I can't remember.

C.K., SAN REMO, WA

***TRINITY SAYS:** Mate, a hairy bush on a man doesn't do anything for sex. You're talking shit and being a little bitch. Shave it off and do ya missus a solid. It'll make your cock look bigger, it's not gonna hurt, and if you don't like it you can always grow it back. At least you'll be able to say you gave it a go.*

TRINITY'S SEX TIP

So a bloke recently asked me how he could dress sexy for his missus. I know that can be a tough question for blokes so here's what I reckon. Dressing in a nicely fitted suit makes my pussy drip like a broken tap! A crisp white shirt underneath with a perfectly knotted tie that I can slip off slowly and sexily... God I'm throbbing just imagining it!

BUSTED NUT

I WAS having a wank the other night when me Mum busted into my bedroom and caught me with my hand wrapped around my dick. It was really embarrassing and we haven't mentioned it again, but I can see the disgust in her eyes when she looks at me. Have you ever been busted smashing your smoo? What's a good thing to say to make it less awkward?

SKIP, FORDWICH, NSW

***TRINITY SAYS:** Yeah, I got busted once – by my bro, sis and one of their mates. I was much younger, though. Just rubbing one out to some weird midget porno I'd seen (which is odd because that's the only time I've ever watched midget porn). Anyway, we just never spoke of it and I forgot about it. You're both adults. It doesn't need to be a big deal. Let it go!*

PUNISH ME!

TRINITY, you horny sexpot, I've been a very naughty girl and need to be punished. What are you going to do me?

C.R., WAAIA, VIC

***TRINITY SAYS:** I'm going to get my electrical tape out and hog tie you, and lay you out on the floor. Then I'll rub several orgasms out of you while you're madly squirting all over yourself. Then I'm going to leave you there and make you watch while another woman goes down on me and fucks me every way possible. And you won't be allowed to join in for one second, you bad, bad girl.*

TRINITY WANTS TO HEAR FROM YOU!

Get up ya SOOK!

WHO:
Anonymous Kiwi kayaker

WHERE:
Auckland, New Zealand

WHAT:
He got a lead fishing sinker embedded in his ARM!

OUCH FACTOR
86%

We reckon this'd hurt a bit. And there's always the danger of lead poisoning.

THIS kayaker was paddling out for a fish on Auckland's Waitemata Harbour when another careless fisho tagged him with a hefty lead sinker.

Now, usually when you're out fishing and you get hit with someone else's sinker, you just scream "FAARRRRK!" pretty loudly, slap the guy that hit you round the earhole once or twice, chug a quick can for pain relief and get on with your day.

Not this time, but. The sinker hit the bloke so hard the pointy end had embedded itself in his arm just above the elbow. And it was his EARHOLE-SLAPPING ARM, too, so that option was off the table.

So our brave Kiwi cut the line, paddled in – a bit wobbly, it must be said – and asked some firies training on the wharf to point him towards the nearest medical centre.

North Shore firey Adam Williams said: "He was pretty shocked. He looked like he was going to pass out."

Adam said the bloke told them he had no idea what had hit him at first.

"He thought he had been shot, and then he thought he had been hit by a bird, but he was tangled up in fishing line as well. And then he saw he had a sinker stuck in his arm," said Adam.

The sympathetic firies then drove the poor wounded bastard to a doc for some careful UNLEADING.

So, kayaker bro, all we have to say to you is: get well soon, keep on paddlin' and GET UP YA SOOK! Picture

HAVE A SLICE OF SYDNEY STUNNER CECE

CHECK OUT CECE'S TA TAS!

BACK in issue #1416 we introduced you to 19-year-old Cece, Germany's sweetest export since Schwarzwälder Kirschtorte (that's Black Forest cake to you non-German speakers).

Since staking her claim as Australia's most ENTHUSIASTIC escort, Cece has continued on her merry way, winning the hearts, minds and PANTS of blokes across the nation.

Obviously, she had to make a return appearance...

Welcome back, Cece. Any recent career highlights?

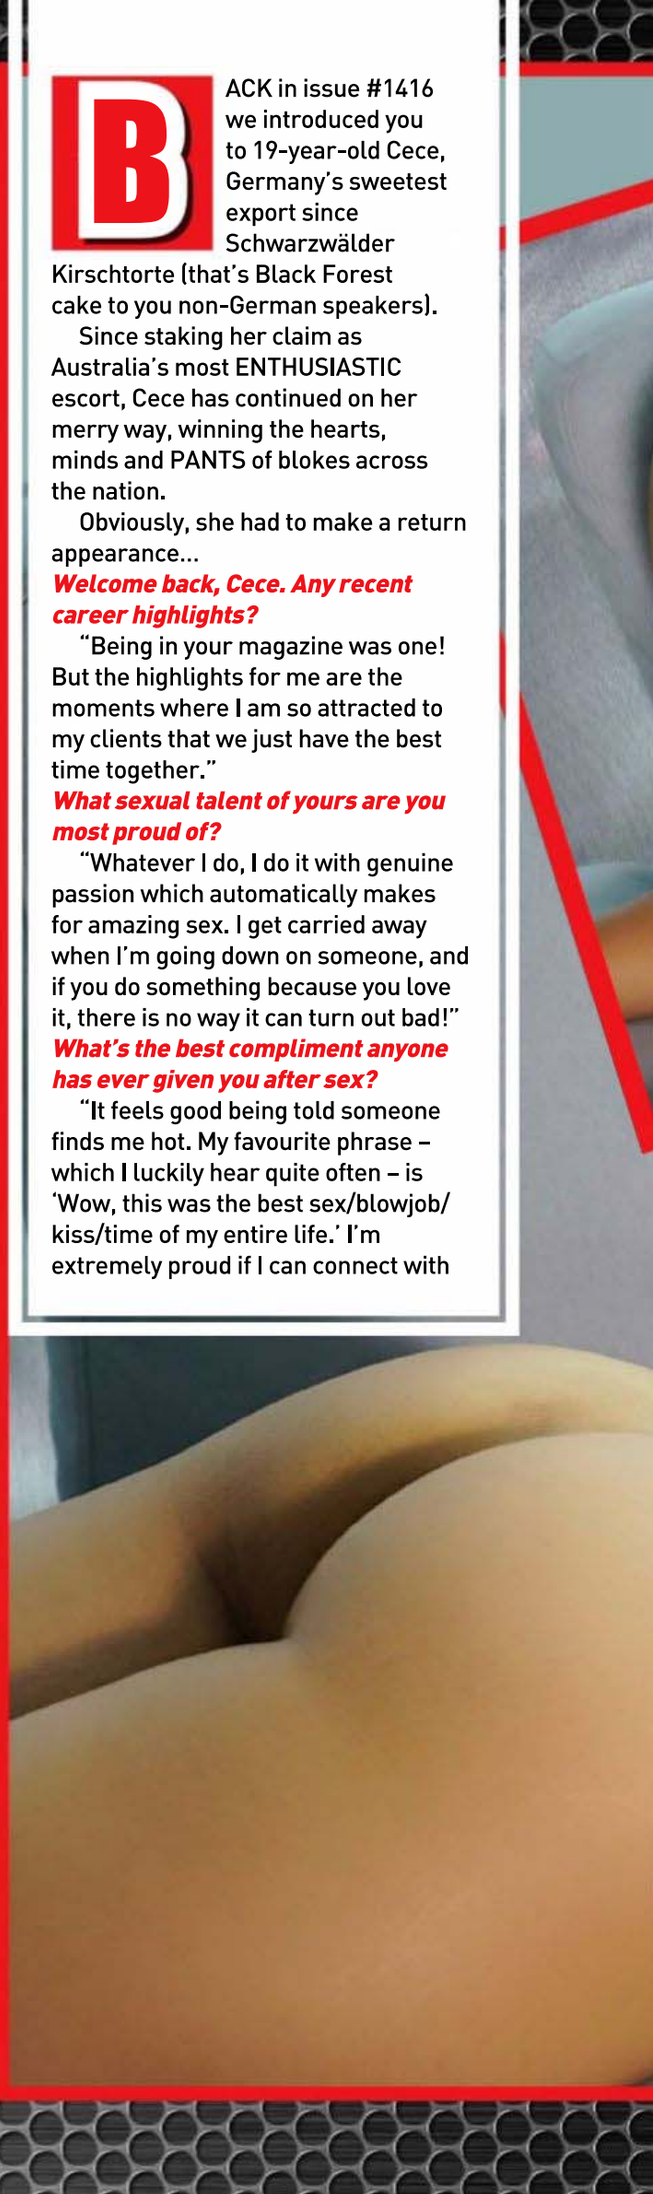
"Being in your magazine was one! But the highlights for me are the moments where I am so attracted to my clients that we just have the best time together."

What sexual talent of yours are you most proud of?

"Whatever I do, I do it with genuine passion which automatically makes for amazing sex. I get carried away when I'm going down on someone, and if you do something because you love it, there is no way it can turn out bad!"

What's the best compliment anyone has ever given you after sex?

"It feels good being told someone finds me hot. My favourite phrase – which I luckily hear quite often – is 'Wow, this was the best sex/blowjob/kiss/time of my entire life.' I'm extremely proud if I can connect with



"LATELY I'VE BEEN MASTURBATING HEAPS!"

someone so well I can turn his fantasy into reality."

What do you do to unwind in your down-time from your job?

"Lately I've just been masturbating heaps! But my favourite sport is volleyball, so I hope I can get back into a team soon, either indoor or beach. And I love getting a nice tan while laying all oiled up at the beach."

You'll have no trouble finding a team. Being such a HORNDOG, how often do you think about sex?

"Although I have a lot of sex and it's rare that I have a day without it, I still think of it all the time. Going from having hot sex a few times a day to not having sex for even a few days is a real challenge for me."

You're always giving pleasure to others. Lets flip it - how does a bloke bring you bliss?

"I'm easy. A man can just have a sweet smile, beautiful eyes and a nice, clean cock and I'm in heaven. In general, just be friendly, horny and uncomplicated. Don't change your sex game for me."

Change? Don't worry, we won't be doing that. You're 20 soon - what would you like for your birthday?

"Hopefully I will finally get a nice little group of guys together for me to play with. That would be the greatest gift ever."

Which state in Australia has the best ROOTERS?

"I'm a fan of men of all states! I've travelled as an escort to all the big cities so I can safely say that there are gorgeous men everywhere ."

Very diplomatically put. If you were to be reincarnated as an animal, what would it be and why?

"I'd love to be reincarnated as a female dolphin! Dolphins are one of the few species that enjoy sex just for fun, and in quite a kinky way. So hot!" ■ Picture

"I GET CARRIED AWAY WHEN I'M GOING DOWN ON SOMEONE"

SCREA Queen

IF YOU'VE managed to talk 21-year-old Claire into the sack then there are a coupla things we should tell you. Firstly, CONGRATU-FUCKEN-LATIONS. Secondly, invest in a pair of earplugs, 'cos she screams louder than an Oprah Winfrey audience after being given a bunch of beauty products and a ticket to a pop show.

"My neighbours once complained 'cos I was too loud in bed," giggled the Adelaide local. "They thought I was being attacked!"

Did they bang on your door armed with a cricket bat?

"They're an older couple and they looked very worried when I answered the door all flustered. Then they very quickly got embarrassed when I explained myself!"

How do your partners react when you turn up the volume?

"I didn't even realise that I was very loud until someone told me. I just let myself go when I'm in the moment and don't even really pay attention to how they react."

Until you realise they have their fingers in their ears. Are you seeing a bloke at the moment?

M
?
Claire is loud, proud
and aroused!

"No, I'm single. I've been going on a few dates which I've never really done before, so that's been exciting."

Any of those dates led to wild BONKING sessions?

"I had sex in a park after a date once. We found a nice spot inside one of those tubes that kids crawl through. It was night time so no one was there and I could be as loud as I wanted!"

Would you ever date a chick?

"Not date, but I'd kiss one. I think a woman would be harder to date than a guy, especially if that woman was anything like me!"

Let's go back to the kissing part. Done much of that?

"I've pashed a fair few girls, but nothing more than that. I wouldn't consider myself bi or anything, but I definitelty know a good looking girl when I see one."

So do we, Claire, so do we. Picture

My Best Fuck

HERE CUMS THE BRIDE

I WAS having a church wedding just to please my parents, even though I'm not religious. I'd been living with my bloke for 18 months, but I moved back into their place for a week before the wedding so I could do the whole bride thing. Which meant I was pretty toey for a root come the big day, having not even had enough privacy to slam the clam.

Me and my fella weren't supposed to see each other the day of the wedding until the ceremony, but we both found ourselves at the church early, hanging around.

My folks went out to greet people, so me and Brad were alone in the room at the back of the church, and it turned out he was as horny as I was.

I could see his hard-on though his pants, and I was practically dripping. We took one look in each other's eyes and knew it had to be done. Brad latched the door and I just hitched up my wedding dress – virginal white, no less – slid down my little lace panties and lay on the floor. Brad dropped his strides and jumped on top of me with them around his ankles, and as soon as his lovely cock touched my snatch it slide right in like a hot knife through butter.

We started fucking frantically until I decided we may as well enjoy this last root while it was still a 'sin', so I made him slow down. We took our time after that, building up, then easing off until Brad couldn't stand it anymore and really started pounding me. By then I was ready too, so I spread my legs wider and shoved my cunt back at him to meet his every stroke. He let loose a huge load of spoof into me, and I had a great orgasm too.

I could still feel the juices trickling down my leg as my dad walked me up the aisle.

THE SQUEAKY WHEEL

THEY say if you don't ask, you don't get, and that was true when I had the fuck of my life on holiday in the Canary Islands. I was hanging around on the beach when I saw a bunch of Pommy topless models getting their photos taken. It was super-horny to watch, so eventually I went back to the hotel to have a wank.

That evening I couldn't believe my eyes when I saw them in the hotel bar. Turns out they were staying at the same joint and were flying back to London the next day. I thought I wouldn't have a prayer of getting onto any of these hotties but they were pretty friendly, and after a few drinks I actually started fancying my chances.

One in particular seemed really nice, and she told me that because they were glamour models, normal blokes like me were usually too intimidated to crack onto them. As she said it she gave me a deep and meaningful look and slid her hand up my thigh. I got the hint, and asked her up to my room to smash the mini-bar.

Once we were up in my room I just started kissing her, first on the lips, then her neck, then down to her fabulous tanned double Ds.

She responded by rubbing my cock though my shorts, then bending down to pull it out and slide it into her mouth. She looked so beautiful with her luscious slips sliding down my shaft, I nearly came straight away, so I pulled her head away and pushed her back on the bed so I could lick her snatch. I dove right in until she started moaning, then got on board for a really wonderful, sweaty fuck until we both got our rocks off about the same time.

It was a glorious root, and even though I didn't get another chance to fuck her, I did see her pictures in one of the Pommy magazines later and thought to myself: "I rooted that!"

ME AND my girl booked ourselves a luxury jungle safari holiday in South Africa, 'cos we're both mad keen on animals but we also like a bit of the good life. Turned out it was the best thing ever for our sex life, which had been getting a bit boring.

After scoping out the lions and elephants and rhinos all day, we were just fucking buzzed with the whole thing, and when we got back to our camp, we found our huge tent all set up and a couple of baths ready to be filled with hot water, along with a bottle of champagne in an ice bucket. Fucken yes!

We had fun soaping each other up and slurping the champers, then hit the sack in this massive bed with a mosquito net over it.

Thing about the jungle is it's fucken noisy with all these animals going off, and for some reason it really turned us on. We both pretended we were some sort of critter and my babe was making weird growling noises as she dived down under the sheet to gobble my cock. I started howling – nobody was gunna hear me over the racket outside – and gave a huge Tarzan yell as I came in her mouth.

She let my spoof trickle down her chin, then made some sexy grunting noises as she grabbed me by the hair and steered my face down into her steaming snatch. She was gibbering like a baboon as I tongued her out, and by that time I was ready to go again and did her doggy while she howled her appreciation. We kept it going for ages, making weird animal noises while we tore into each other. I loved watching her get totally wild and act like an animal while I was fucking her.

We tried it when we got home, but the neighbours thought somebody was getting killed cos of all the weird noises we were making, so we're gunna go back to the jungle soon to have another go.

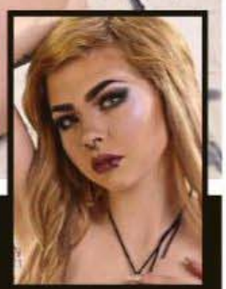
BEAUT BUM ASK THE HOMIES FLASHBACK TOP TITS

"I ended up fucking them in the toilets"



HOLLY
ALBANY CREEK, QLD

The only thing 19-year-old Holly likes about working in a factory "is getting to wear high-vis, because I feel like one of the boys." ***What else have you done for a crust?*** "Well, I used to be a stripper. I was talking to two girls in a night club about it and they wanted me to give them a dance. So I gave both of them a lap dance and ended up fucking the pair of them in the toilets. One of them was straight: not anymore." ***Was it tough fitting three squirming nubile bodies into a cubicle?*** "Luckily it was a spacious cubicle. The hard part was keeping them quiet. Apparently I was doing a better job than guys they had been with." ***And all within the space of a dunny. Nice one, Holly.*** **IF YOU COULD CHOOSE YOUR LAST MEAL, WHAT WOULD IT BE?** "Is beer or pussy an option here?"

CHARLOTTE
PAYENHAM, SA

Nineteen-year-old hot Brazilian Charlotte has returned to her bean stew-eating homeland. ***What was the first thing you did when you got back home?*** "I went to see my friends." ***What do you miss about Australia and its bush now you're back in the land of the Brazilian?*** "Having contact with different cultures. Australia is so multicultural and Brazil is not. It surprises me all those cultures living at the same place in peace and everyone respecting each other." ***Do the people back home know your HOT BOD has been published nude in our pages?*** "It's my travel secret." ***Do you want to pose nude for a Brazilian mag now you've gotten a taste for it?*** "No, never." ***Wow, we truly are the lucky country.***

Making her own porn is just one more sexy aspect to 29-year-old "happy, chatty and caring" Kim. ***Who gets to see these beaut cinematic masterpieces?*** "Me and my husband. It's just the usual bed sex." ***What sort of 'usual bed sex' gets you off the most?*** "I like doggy style. My bum is my sexiest feature. And I've had sex once outside on a balcony in Spain. And I like to dress up and do a sexy stripper performance." ***Do you just do it with your husband or does he offer a lezbo leave pass?*** "I'm interested in having sex with another woman, but I've never done it. We had a threesome with a friend once. But we're no longer friends now – oops."

MELBOURNE. VIC

Being a sales assistant at relationship-destroying Swedish superstore Ikea means 21-year-old Kaley is quite the maestro with her hands. "My whole bedroom is made of Ikea products and I constructed everything by myself." ***You didn't smash anything into smithereens?*** "I'm a very patient person." ***Do your steady hands make you extra beaut at dishing out WRISTIES?*** "I love giving handjobs. Having a guy's dick in my grip makes me feel so powerful." ***Every get your hands on any lady bits?*** "Only my own." ***How often do you STUFF THE TACO?*** "Maybe once a week. If I've been on a night out and come home a bit tipsy, then I might have a little go." ***What kind of porn gets you in the mood?*** "I'm not a big porn watcher. But if I was going to watch it, then it'd have to be something very vanilla."

IF YOU COULD CHOOSE YOUR LAST MEAL, WHAT WOULD IT BE?

"KFC chicken nuggets."

SIZE REALLY DOES MATTER!

NEW & IMPROVED FORMULA

DO YOU WANT A BIGGER, THICKER, LONGER PENIS?

PENIS SCIENCE 101

When it comes to the chemistry and mechanics of the penis there are many components to take into account. Unfortunately most pills on the market, even prescription pills, only address one, maybe two of these components. You probably know that testosterone is a major trigger for penis function but what about nitric oxide ? Medicos have long known of the benefits of nitric oxide but it was only recently that the wonders of this molecule and its role in the function of the male member was discovered. So important was the discovery that the three pharmacologists who made the discovery were awarded the Nobel prize. Nitric oxide works on the vascular system and is an integral component in aiding the flow of blood into the penis thus providing for maximum growth potential.

CONCENTRATED FORMULA

The ingredients of ALL NEW TESTRONE X-TREME have been shown to increase both testosterone and nitric oxide in the blood. Commonly known as the "Viagra of the Amazon", Muira Puama is a powerful ingredient known to help increase blood flow to the penis. In so doing it expands the vascular system and interior cavities making your erection larger and harder. PLUS Tribulus Terrestris which has been used in traditional Chinese and Ayurvedic cultures for thousands of years. Only the best ingredients of the highest quality are ever used in our formulations.
